

Associate membership of South East Employers

South East Employers (SEE) is one of the nine Regional Employers' Organisations representing the interests of public sector and educational bodies in England.

Independent and not-for-profit, our organisation is member-led, and we aim to add value to our councils and communities through our wealth of local knowledge and professional expertise.

By acting as a central 'hub', we provide an effective forum for networks and partnerships, collate management information and data to share learning, build on best practice and provide benchmarking information.

What are the benefits of membership?

Access to telephone or email advice on:

- ⇒ Employment legislation (including update circulars for national terms and conditions)
- ⇒ HR concerns—a quick discussion at an early stage to talk through the best course of action will often nip a problem in the bud
- ⇒ Democratic services/scrutiny/governance questions

Favourable rates for:

- ⇒ Consultancy services for issues such as mediation, complex employment problems, job evaluations, investigations and help with recruitment

Access to:

- ⇒ Restricted areas of the SEE website, with up-to-date information and best practice guidance
- ⇒ Our mini-survey service—benchmark yourself against other organisations in the region

SEE is a leading provider of high-quality consultancy, training and development in areas of organisational change, leadership, compliance with employment law, governance and local democracy

Who can join?

Associate membership is open to parish and town councils, schools, fire services, housing associations, voluntary bodies and other organisations. You need to employ staff whose pay and/or conditions are the same as, or similar to, public sector employees. You must also be within the south-east of England.

How much does it cost?

Because of the support we receive from larger councils in full membership, our associate members are able to access our services at extremely reasonable rates particularly when compared with providers in the private sector. We have a tiered fee structure, so that members with fewer employees pay the lowest fees.

Number of employees	Subscription 2018/2019
Fewer than 15	£203
Between 15 and 49	£326
Between 50 and 99	£586
Organisations with more than 99 staff will require a quote	

How do we join?

Simply complete the [form online](#). We will send you an invoice and as soon as that's paid you'll gain full access to your benefits. We'll also send you a username and password for the members sections of our website.
