Welcome to the Autumn edition of our SEEus newsletter
In this edition we outline some of our key activities since the last issue.

Events and Training

- [Introduction to Committee Administration - 27th/28th February & 13th/14th March](#)
- [Local Authority Challenge - 8th March](#)

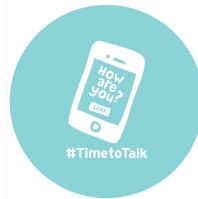

Forgotten password?

If you have forgotten your details for the members' sections of the SEE website, please call us during office hours or send us an [email](#)

Is it #TimeToTalk?

We are here to help!

Even though #TimeToTalk Day was last week, don't forget that our mediation and dispute resolution services can help with workplace grievances that are so often the source of poor mental health. For further information, either [contact us](#) or take a look at our [website](#).

South East Local Authority Challenge

Is now fully booked!

We can now confirm that the South East Challenge is at its full capacity. We are hoping that this will become an annual event so if you were unable to book onto it this year, keep your eyes peeled for next year's event. If you would also like a preview of what is offered on the day, keep up to date with us on [Twitter](#) as we will be Tweeting about it throughout the day. Are you ready for the challenge?

Did you know...

SEE are currently in the process of launching a new website.

We are thrilled to announce that we are currently working closely with [Digital Avocado](#) to produce a new mobile and user friendly website. Keep your eyes peeled for when we announce its official launch

date.

Did you know that we're also on social media?
