### CORONERS' CIRCULAR No 63

Dear Sir/Madam

#### Coroners' pay agreement 2018/2020

You will be aware that JNC Circular 62 indicated that pay ranges would be reviewed in autumn 2018 with a view that any agreed changes would be implemented from 1st April 2019.

That review has now taken place and the JNC has reached the following agreement to apply a 2.0% uplift on ranges and rates with effect from 1st April 2019 and 1st April 2020 respectively.

Senior coroner	1 <sup>st</sup> April 2019	1 <sup>st</sup> April 2020
Range	£119,340 to £132,600	£121,727 to £135,252

Part-time senior coroner	1 <sup>st</sup> April 2019	1 <sup>st</sup> April 2020
Base salary	£20,400	£20,808
Daily rate	£449 to £510	£458 to £520

Area coroner	1 <sup>st</sup> April 2019	1 <sup>st</sup> April 2020
Range	£88,740 to £102,000	£90,515 to £104,040

Assistant coroner	1 <sup>st</sup> April 2019	1 <sup>st</sup> April 2020
Daily rate	£383 to £463	£391 to £472

#### Salaries and Day rates

With effect from 1 April 2019, local salaries and day rates for individuals will be increased by 2.0% apart from where a different review date has been agreed for 2019/20 as part of the local implementation of the JNC framework.

However, for 2020/21 all local salaries and day rates for individuals should be increased by 2.0% on 1st April 2020.

Yours faithfully
